

HAPPY HALLOWEEN!!!!

Hello Family and friends of Coastal Opportunities!!

We have created a Haunted Halloween walk-through at the Olive Coates Center, located at 53 Limerock Street, Camden. All Coastal friends and families are invited to walk through. Our mobile community support groups that are regularly scheduled for Wednesday, Thursday and Friday will have the opportunity to walk through during program hours. For those who are not enrolled in our current program, you will have the opportunity to walk through by appointment only on Thursday, Oct. 29th and Friday, Oct. 30th from 10am – 4pm.

We will have a few tricks and treats for those who are not afraid to walk through.....

We require that masks are worn inside of the building and that social distancing requirements are adhered to. Please do not enter if you are experiencing any symptoms associated with the Coronavirus COVID-19 (fever greater than 100, cough, sore throat, respiratory illness or difficulty breathing).

If you are interested in scheduling a time to visit our spooky village, please call or email Kristin King at 236-6008 ext.110 or kking@coastalopportunities.org.

*****Please let me know if participants have sensitivity to flashing strobe lights. We can shut these features off before certain members enter the house.**
